

## WHITFORDS CHIPMUNKS OSHC

### BEFORE AND AFTER SCHOOL CARE AT WHITFORDS CHIPMUNKS

#### PUPIL FREE DAYS AT WHITFORDS CHIPMUNKS

We have a variety of enrolment options to suit all families, whether you need ongoing care or just a casual day or two during term time or during school holidays. We have three options for enrolment to suit every need.

- **Casual days** are ideal for families who have changing needs each week, to take care of those everyday issues that come up (e.g. shift work, appointments). You can also book casual days well in advance, so you can ensure you are covered for those occasions when you know something is coming up.
- **Permanent fixed days** booked to secure the same days every week. This is ideal for working families or families who know their commitments each week well in advance. We even offer a discounted rate for permanent fixed days.
- **Permanent fixed 5 days per week** is ideal for working families or families who have commitments for the full week and know well in advance. We even offer further discount for permanent fixed 5 days per week care.

**Government rebates apply so your care becomes even cheaper!**

#### Whitfords Chipmunks OSHC is open:

6:45 am and 9 am for Before School Care.
