

P&C Fact or Fiction?

The P&C can survive without volunteers.

Fiction! No events, no fundraisers, no canteen or uniform shop. No providing for the school that all of our children attend.

I should bring a six pack of energy drinks to meetings.

Fiction! You won't need them. Our meetings are an hour long. Our motto is: Get in, get it done, go home!

Someone is going to ask me to do something!

Fact! You are smart, talented and skilled. A P&C would be crazy not to make use of you. Perhaps get in early and volunteer for the job that you want rather than being asked to watch paint dry.

Please feel free to contact our P&C for more information.

Why is a P&C so important?

Parents & Citizens' (P&C) Associations have been recognised in WA law for nearly a century. P&Cs are held at a very high level of regard in the WA community.

The goals of P&Cs are:

-  to foster strong relationships between the school and the community;
-  to help provide resources for the school; and
-  to promote interest in educational matters.

Meeting these goals is a great challenge for all Parents and Citizens in Western Australia!

P&C Fact or Fiction?

The P&C makes the rules as they see fit.

Fiction! A P&C is a legally recognised Association. They have a set of rules (Constitution) they must follow. Ask for a copy.

The P&C is run by a clique who boss everyone around and exclude people.

Fact and Fiction! There are certainly P&Cs out there that do that, but if yours did, would it be handing out this flyer?

If I take on a role such as Treasurer or Secretary I won't have any support or help.

Fiction! You'll get support from current members and from WACSSO. WACSSO has councillors and staff to help you. WACSSO also offers FREE training sessions. You don't have to take on a role now, but perhaps as you become more experienced and comfortable with your P&C, you'll consider it.

I'm a 2-Hour-Vower!

(Place this in the box at the front office)

I vow to give 2 hours of my time each term to help the P&C help our kids
